

GYP DIFFUSERS

Breathe Elegance

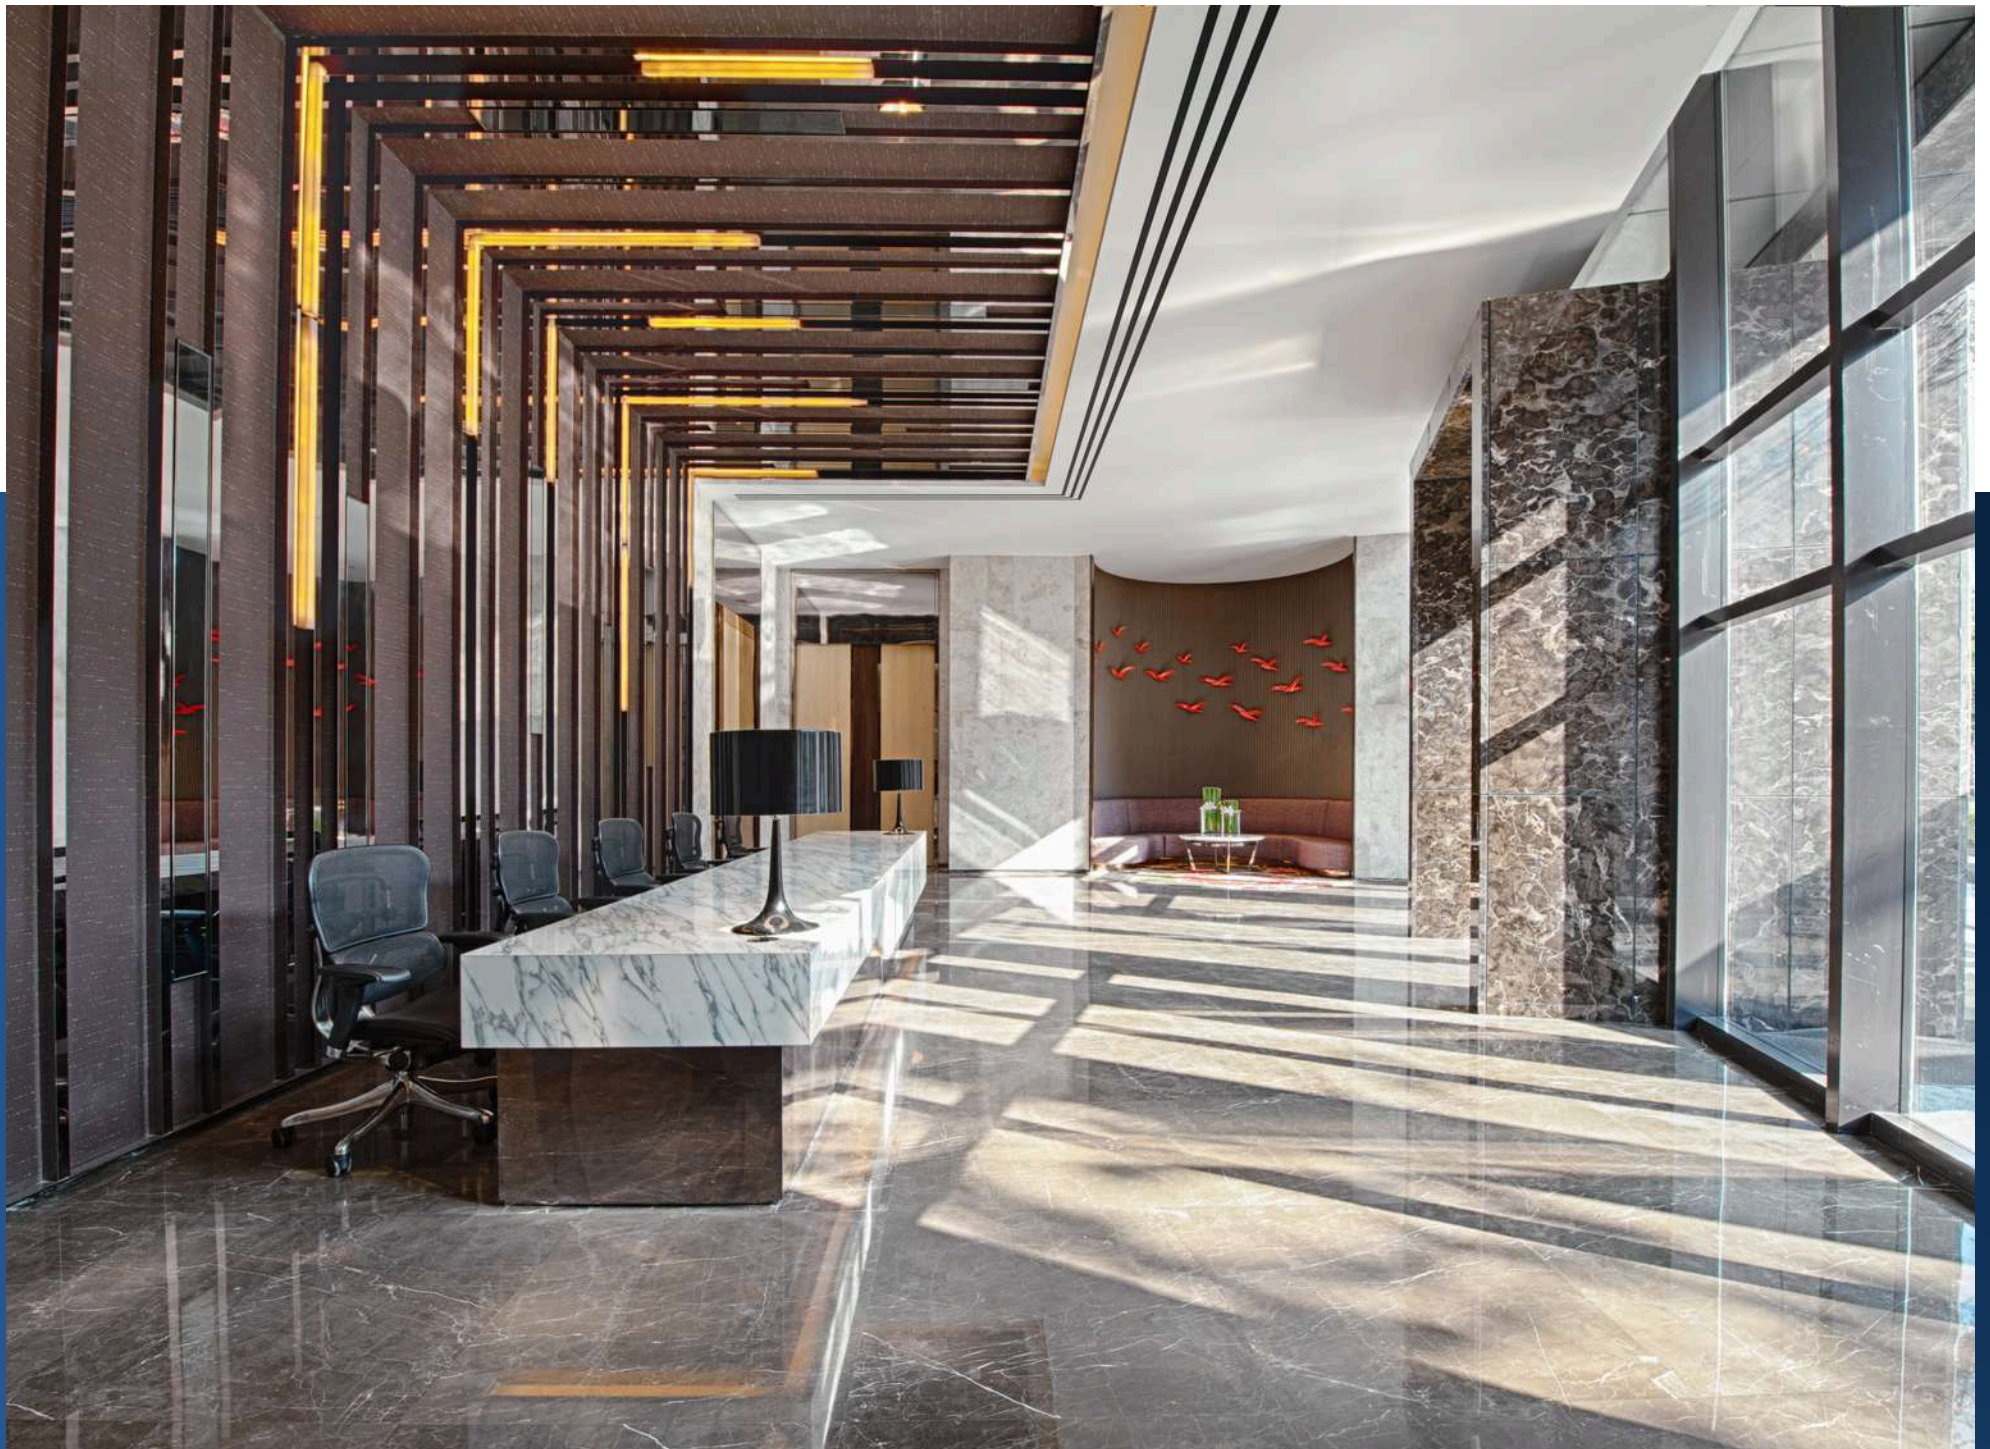

Breathe
elegance

CAIROX

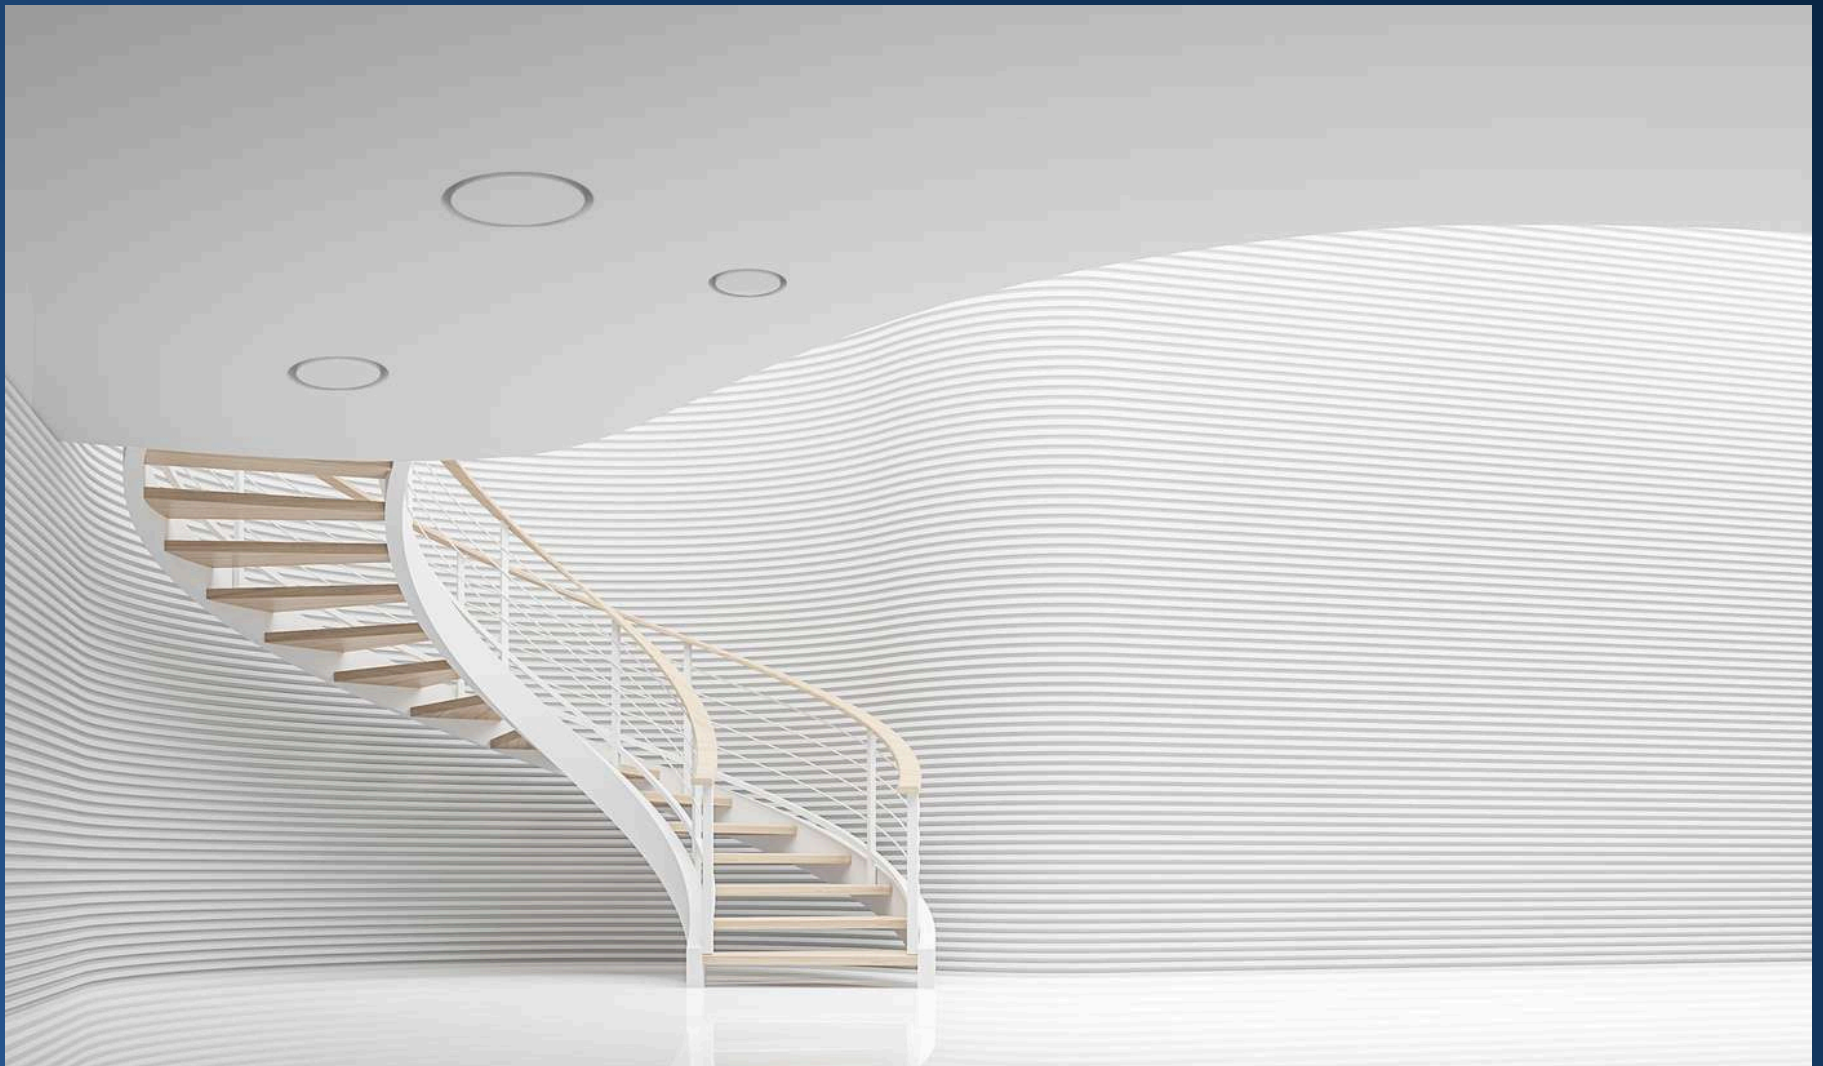

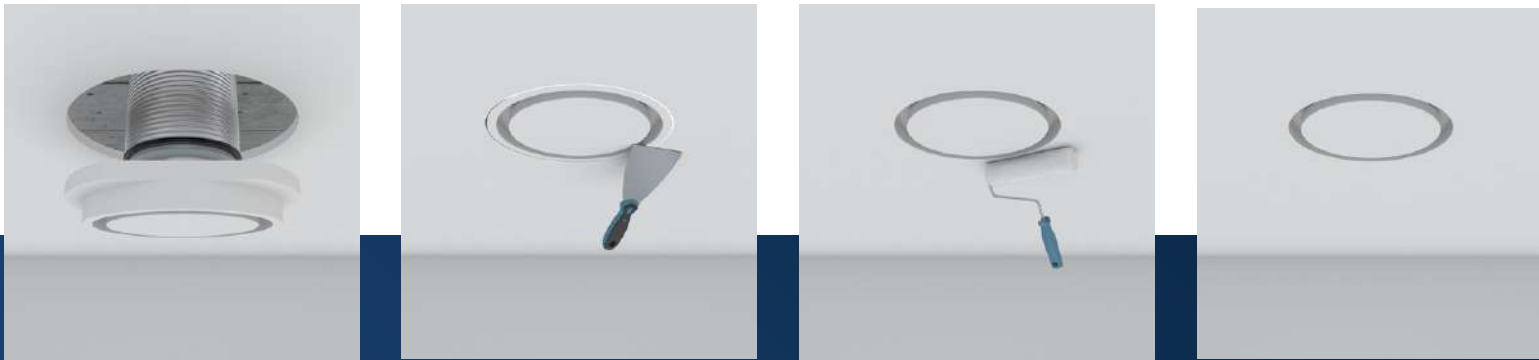

ELEGANCE

Made from **gypsum**, the new diffusers combine elegance and minimalism to blend into any interior environment.

INVISIBLE

GYP diffusers leave no visible frame after installation.
They can be plastered and painted with the same paint used for the rest of the wall or ceiling.

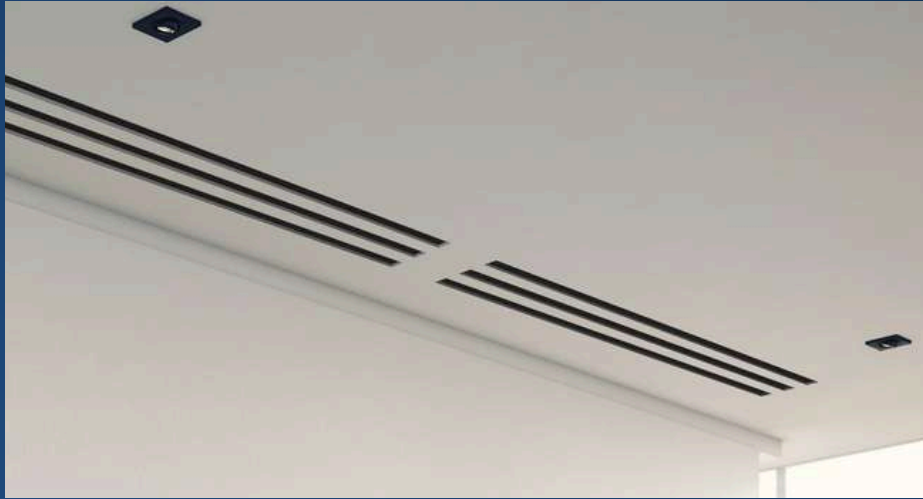

DURABILITY

Gypsum combines **aesthetics with respect for the environment**: a natural, non-toxic material with a reduced carbon footprint.
